

CP Pumpen AG is an international company with production facilities in Switzerland as well as subsidiaries and locations in Germany, France and Thailand. In order to be able to serve customers quickly and easily on site, CP also has liaison offices in Spain, China and the USA and is also represented in more than 70 countries.

The highly safe and efficient CP centrifugal pumps are used worldwide in the following industries: chemical, pharmaceutical, petrochemical, biotechnology, food and beverage.

For the reinforcement of our team at the Representative Office of CP Pumpen AG in Bangkok, Thailand, we are looking for a

Technical Sales Support Engineer m/f/d (100%) motivated, independent, reliable

Your tasks

The successful candidate will, amongst other, be responsible for

- the timely, technically correct processing of enquiries about pumps as support for the Sales team in the form of quotations (working language English)
- coordination with all necessary internal and external parties on delivery dates
- coordination with purchasing for special designs, motors, special packaging or commercial products
- feasibility clarifications of special configurations (materials, designs, motors, documentation, certificates, etc.)
- processing and answering customer enquiries on time, providing customer advice and support over the phone

Your profile

- Bachelor's Degree or Diploma in Engineering (Mechanical or Electrical) or equivalent
- 2-3 years relevant work experience
- proficiency in spoken and written English, any other language is an advantage
- prior knowledge on rotating equipment would be a strong asset
- good IT user skills, in particular ERP.

Our offer

You can contribute to a renowned, globally active Swiss company that is anchored in a stable market environment and a dynamic industry. The corporate culture is characterized by open and appreciative interaction with each other and flat hierarchies.

Your ideas and innovations are welcome. We offer you a modern workplace in Bangkok, Thailand, remuneration in line with the market and attractive fringe benefits.

Are you looking to make a difference with your work? Then you've come to the right place. Send your complete profile by e-mail to our Sales Leader Asia-Pacific: kelvin.mok@cp-pumps.com. We look forward to receiving your application.

In case of questions, please contact Mr. Chusak Surangsimankul, Area Sales Manager, at +66 65 445 9363.
